A WORD FROM THE FOUNDER / AG. ED

Dr. James Isagara Kisoro

FOUNDING MEMBER / AG. EXECUTIVE DIRECTOR

Welcome to Kabalega Foundation. It is my pleasure to make a contribution to immortalising the legacy of Omukama Cwa II Kabalega, the progenitor of this foundation.

Omukama Kabalega is remembered for many things; his great developmental rule as Omukama of Bunyoro-Kitara Kingdom (1870 - 1899), his brave heroic fight against colonialism for the independence of his people and the African race, among many others; and deservedly a celebrated national hero in Uganda and revered Africa-wide.

I welcome you to join us on the journey, to share your energy and resources towards realisation of the Foundation objectives, aiming to build on the life-long vision and aspirations of Omukama Kabalega and towards betterment of humanity.

ABOUT KABALEGA FOUNDATION

We are a Cultural Trust / Foundation incorporated in Uganda as a Company limited by guarantee (Reg. No. 80020002140688), and registered as a nationwide Charity Organisation No. INDR152224158NB by the Royal House of Babiito to preserve and promote the legacy of Omukama Chwa II Kabalega (June 18, 1853 – April 6, 1923), the ruler / Omukama of Bunyoro-Kitara Kingdom from 1870 to 1899, a celebrated hero nationally and internationally.

Through service, Kabalega Foundation seeks to promote the ideals that spurred the great achievements of Omukama Kabalega; such as nationalism, unity, diversity, innovation, resilience, and bravery.

Together with partners and local communities, we work to find practical, innovative ways towards social challenges and problems, and leverage opportunities for development. We support livelihood enhancement programmes, and we listen to and amplify the voices of the community so that their voices are heard to influence local and global decisions that affect them.

We understand that many causes of society problems are linked, and we use a multi-pronged approach to advocate for and run programmes that we believe present a better chance for holistic community development; with these currently including;

1. Civic Advocacy and Engagement
2. Cultural Research, Documentation, and Promotion
3. Environmental Protection
4. Water, Health and Sanitation
5. Education and Life Skills Development
6. Social-Economic Empowerment

VISION & MISSION

Visión

Vision

Our vision is to contribute to socially, culturally and economically empowered communities.

Mission

To advance social, cultural and economic development in the communities we serve.

OUR PROGRAMMES

Our programmes are focused on the following areas, and through which we work to make meaningful transformation and impact within the communities in which we operate:

Cultural Research & Development

Culture is of great value in any society as it unites people through shared beliefs, traditions, and ways of life. Our Cultural Research & Development programme works to research, promote, enhance, strengthen, preserve, and protect the tangible and intangible culture and heritage within our areas of operation.

Environmental Protection

Kabalega Foundation (KF) works to enhance environmental protection, conservation, and preservation, as well as promotion of best practices to mitigation of climate change .

Education & Life Skills Development

Through our Education and Life Skills Development programme seeks to enhance access to formal, informal, and life skills education for the people within our areas of operation, KF works with schools and institutions to promote education through offering of tuition scholarships to bright but disadvantaged scholars.

Civic Advocacy

Through our Advocacy and Civic Engagement programme works to enhance civic literacy within communities in which we operate through engagement, awareness creation and support. More areas of engagement include health and sanitation, social equity and justice, economic empowerment, among others towards general common social good

Water, Health, and Sanitation

Through our Water, Health, and Sanitation programme, we work together with national and international health, water, and sanitation partners and stake-holders works to enhance the health, wellness, and sanitation of people in the communities where we serve

Social Economic Empowerment

Through our Social Economic Empowerment programme, we work to foster and enhance social economic development in communities in which we operate through providing access to affordable programmes for livelihood improvement.
